

CONTROVERSIAL ART

INSTRUCTIONS: For this project, you will work by yourself. Your goal is to research a controversial topic or event from historical art eras and create a PowerPoint including the criteria listed below. Be sure to submit your PowerPoint in It's Learning.

- **CONTENT**

- TITLE & SUMMARY – include the following
 - Name, topic or controversial event you are reporting on
 - Summary of your topic, including key information such as dates, names, locations, etc.
- PHOTOS – include the following
 - **10 photos** at minimum of the work, event, person, etc.
 - Include a description with each photo
- INFORMATION – include the following
 - **2 articles** containing information about your topic
 - **Opinion**
 - Include how you feel about your topic
 - Be sure to support your opinion with facts and references

- **GRADING**

- You will be graded on the completion of each of the above criteria. You should have at minimum **20 slides** in your PowerPoint. You will not be presenting these.
