

# WHAT MAKES A GOOD PHOTO?

In this exercise, you will learn to view and critique photos, and determine what makes a photo successful or aesthetically pleasing.

- Get in groups of 2-3
- Create a slide show of 10-12 slides including the following:
  - Minimum of 14 photos
  - Description of each photo
  - Group critique of each photo
    - Ex. We like this photo because...
    - Or...we do not like this photo because or... it could be improved by...
  - Examples of each of the following
    - Person
    - Group of people
    - Animal(s)
    - Landscape
    - Abstract (unusual angle...sometimes can't tell what the subject is)
    - Still life (objects)
    - Commercial
- Submit the slide show
  - EVERY member of the group needs to submit the slide show to It's Learning.
  - Make sure I am able to view the slide show.
- Present the slide show
  - Very informal
  - Each group member should speak
