

Finalizing your composition and starting your drawing.

You will need to fill your paper and utilize your space well. Negative space can be effective if planned well, and not because you drew too small and didn't want to redo your work. Look at the options and plan your composition.

The white space is effective and necessary. The diagonal angle and scale are key

Types of Composition:

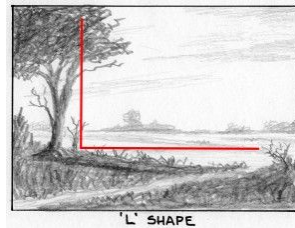

S Composition

U Composition

L Composition

O Composition

Tunnel

Grouped Mass

Radiating Line
