

Black and White Surrealism Drawing

100 points

Score _____

Criteria

	highly effective	effective	needs improving	ineffective
Concept: Original idea based on Surrealistic qualities.				
Unity: All components come together for a unified composition				
Contrast: Hard black and hard white create obvious contrast				
Value: A wide range of value is used with the Black AND the White, as well as leaving brown paper for a midtone.				
Craftsmanship and Effort: Time in class was used wisely and there is an overall neatness and care taken in the project.
