

jewelry & glass 4 SYLLABUS

COURSE DESCRIPTION

Jewelry and Glass 4 is a continuation of Jewelry and Glass 3, with an emphasis on more advanced jewelry-making and glass techniques. Students will apply jewelry design and fabrication techniques including: sawing, piercing, filing, polishing and soldering. They will learn to work with fabric, metal, leather, plastic, wood and resin. Students will study various glass-making methods such as fusing and slumping.

REQUIRED MATERIALS

Charged Laptop
or Chromebook

Writing
Utencil
